BIN PLACEMENT

Please remember to place your bins out the night before your collection day and return them to your property by the end of your collection day.

When placing your bins, make sure:

- there is a minimum of one metre clearance from parked cars, trees, light poles or any other obstructions
- bin lids are closed
- bins are at least 50cm apart
- bin wheels and handles are facing away from the kerb.

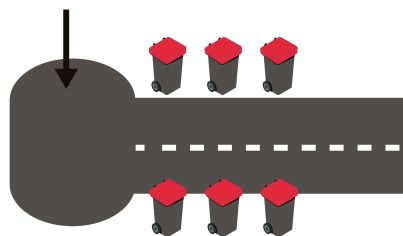

Hammerhead and court bowls

If you live in court bowl or a hammerhead court, place your bins on the straight section of the street for collection.

Keep the bowl of court free of parked cars.

No bins or cars in bowl of court

MISSED BINS

If your bin is not collected on your scheduled collection day you can let us know by completing our missed bin collection form online. Missed bins must be reported by 10.00am the day after your scheduled collection day.

Please note the hydraulic arm on our trucks cannot collect bins that are heavier than 75kg.

E-WASTE

Any item with a plug, battery or cord **cannot** be placed into your household bins. They must be disposed of by booking a hard waste collection, at our mini recycling stations, a local transfer station or at our Waste Drop Off Day events.
